these streets. Dead-end streets present another problem. Buses would be forced to turn around (likely in a private drive). Because backing up large vehicles is hazardous in residential areas where there are many children, GO DIAL-A-BUS does not service dead-end streets. Residents on such streets can arrange to meet DIAL-A-BUS at the nearest corner.

How to Use DIAL-A-BUS

It's as easy as one, two, three

From your home:

- 1** Dial 226-4225 at least one hour before you'd like to be at the Subway (during Rush Hours) or at Yorkdale Shopping Centre (in Off-Peak).
- 2** Give the dispatcher your address and you will be advised of pick-up time.
- 3** Please be ready at your door a few minutes before the bus is due to arrive in front of your home. The driver can wait only 30 seconds and he doesn't want to leave you behind.

Advance Bookings: Regular riders may pre-book for up to a week in advance. It's convenient — it saves you time and effort.

From the Subway or Yorkdale:

- 1** GO DIAL-A-BUS Terminals are located at the York Mills Subway and Yorkdale Shopping Centre. At the Subway exit via Old York Mills Rd. At Yorkdale exit via the South Parking Lot doors.
- 2** Select the bus serving your Zone at either Terminal (Subway at Rush Hours, Yorkdale in Off-Peak), give the driver your address and he'll take you home.
- 3** If you want to go to the York Mills Subway from Yorkdale Shopping Centre, or vice-versa, board the Shuttle Bus at either Terminal. This return service operates during Off-Peak times on weekdays and all day Saturday.

Exact Cash Fare

If GO DIAL-A-BUS is to serve you well, the bus must be kept moving — not idle while the driver functions as a ticket agent. So the exact cash fare system is used. Your acceptance of it has been excellent. But if by chance you find you don't have 40 cents in exact change at a given time, you can still use GO DIAL-A-BUS. The driver will accept a TTC ticket or token plus 15 cents or two tickets or tokens.
